[www.charlesriverswim...](http://www.charlesriverswim...)

617-413-7078

### Description

Yes, you heard it right! This weekend hundreds will jump into the once murky waters of the Charles River. The race is intended to raise awareness and celebrate continued clean-up of the river.

Swimmers will take the plunge at the docks near the Arthur Fiedler footbridge and swim a loop between the Longfellow Bridge and the Harvard Bridge. And, it's a guarantee that you won't emerge from the water with scales!
